Our Services

Fillings
Crowns
Tooth Extractions
Dental Cleanings
Periodontal Treatment
Fluoride Varnish
Dentures and Partial
N2O for children

Who We Serve

The dental clinic serves IL Medicaid eligible children and adults. Financial assistance is available for those without insurance. Upon approval, patients may be seen on a sliding fee scale.

About us

We are dedicated to providing Adams County with an array of dental services for all your oral health needs. Care is provided by dentists, dental students, hygienists, and assistants.

For your appointment

Please arrive 15 minutes prior to your appointment, to allow time to fill out paperwork. Anyone under 18 will need to be accompanied by a parent or legal guardian for the entire appointment. Patients 18+ must make their own appointments. Patients must present their Medicaid card at every appointment. There is a ten minute grace period, after ten minutes the appointment will be considered a No Show. All appointments must be confirmed by 11:00 AM the business day prior to their appointment.
