ADAMS COUNTY JAIL 2020 INSPECTION REPORT

Criminal Justice Specialist Michael Leathers inspected the Adams County Jail on September 1, 2020. Entrance and exit interviews were conducted with Superintendent Chad Downs.

IMPROVEMENTS SINCE LAST INSPECTION

A new jail was constructed.

NONCOMPLIANCES WITH *ILLINOIS COUNTY JAIL STANDARDS*

1. **Detention rooms exceed occupancy requirement**

There are several cell/detention rooms with a designated occupancy of up to 4 persons which exceeds the maximum limit of double occupancy per cell/detention room as required by section 701.80 of the Standards. The Illinois Department of Corrections approved a variance recognizing these detention rooms as dormitories without showers and in two instances insufficient floor space on March 28, 2019 with the instruction that it be approved annually. An updated variance approval was not available on the date of inspection.

730 ILCS 5/3-15-2 outlines the responsibility of the Illinois Department of Corrections, Jail and Detention Standards Unit to inspect county and municipal jails and identify noncompliance with established standards. This requirement is outlined in paragraph (b) of the statute and is included below.

As the Director I am required to give notice of noncompliance and ensure follow up inspections are completed six months after notice is given. This will allow for the county or municipality to take the steps necessary to correct noncompliance findings.

(b) At least once each year, the Department of Corrections may inspect each adult facility for compliance with the standards established and the results of such inspection shall be made available by the Department for public inspection. At least once each year, the Department of Juvenile Justice shall inspect each county juvenile detention and shelter care facility for compliance with the standards established, and the Department of Juvenile Justice shall make the results of such inspections available for public inspection. If any detention, shelter care or correctional facility does not comply with the standards established, the Director of Corrections or the Director of Juvenile Justice, as the case may be, shall give notice to the county board and the sheriff or the corporate authorities of the municipality, as the case may be, of such noncompliance, specifying the particular standards that have not been met by such facility. If the facility is not in compliance with such standards when six months have elapsed from the giving of such notice, the Director of Corrections or the Director of Juvenile Justice, as the case may be, may petition the appropriate court for an order requiring such facility to comply with the standards established by the Department or for other appropriate relief.

Mission: To serve justice in Illinois and increase public safety by promoting positive change in offender behavior, operating successful reentry programs, and reducing victimization.

Jail and Detention Standards Unit Inspector, Mike Leathers conducted Sangamon County's 2020, Jail and Detention Standards Unit Inspection on September 1, 2020. During that inspection the following issues of noncompliance was identified:

1. Detention rooms exceed occupancy requirement

There are several cell/detention rooms with a designated occupancy of up to 4 persons which exceeds the maximum limit of double occupancy per cell/detention room as required by section 701.80 of the Standards. The Illinois Department of Corrections approved a variance recognizing these detention rooms as dormitories without showers and in two instances insufficient floor space on March 28, 2019 with the instruction that it be approved annually. An updated variance approval was not available on the date of inspection.

2. Lack of commissary fund audit

On the date of inspection, jail officials could not produce documentation indicating the completion of an audit of the detainee commissary system. **In accordance with section 701.250(f) of the Standards jail officials should arrange for the annual completion of a commissary system audit with the county auditor or county treasurer.**

Pursuant to 730 ILCS 5/3-15-2 (b) I am notifying you of this finding of noncompliance.

Members of the Office of Jail & Detention Standards are available for consultation should you desire. You may contact the office at (217)558-2200 ext. 4212.
