### ***Committee Report (Mrs. Fletcher)***

Bills – The committee met on April 20, 2021 and reviewed the bills for the Sheriff's Office, Coroner's Office, Emergency Management Agency and Animal Control. All of the bills were in order.

## Reports-

Mr. Peter read the following reports from department heads and/or their representatives:  
From Sheriff Wagner: The Jail Administrator, Chad Downs, is stepping down, having accepted a position in court security. The jail population was at 121. 9 IDOC inmates were transferred on April 19. There are 6 more inmates ready for transfer. There were no known employees or inmates with COVID-19. The department is in the process of reviewing the jail medical contract with QMG. The contract has been proofread by the States Attorney and is awaiting signature by QMG. The department has been conducting interviews for the vacant administrative assistant position.

From the Coroner, Scott Graham: There were 83 reported deaths, 6 autopsies, 1 abandoned cremation and 34 cremation permits issued in March 2021. He reported there have been no suicides this year.

From John Simon, Emergency Management/Ambulance: The department is inspecting the four new ambulance units. There are 3 box and 1 van style vehicles. They expect to have them in rotation within 45 days. COVID testing and vaccination is winding down and they will soon close down the Oakley-Lindsay facility and move operations to the health department. Approximately 60% of the 65 and over population of the county is vaccinated. That percentage has risen since the time of the committee meeting. COVID vaccination efforts are expanding to outreach clinics and pharmacies and into the villages throughout the county.

Mr. Kerkhoff asked if appointments were still needed to get a vaccine.

Mr. Austin stated you can make an appointment at the Health Department, but the remote ones do not require an appointment. Mr. Duesterhaus asked if they lowered the age limit yet. Mr. Austin stated that would happen in two weeks.

The committee's next meeting is scheduled for Tuesday, May 18, 2021 at 6:30 PM.

May 11, 2021**

**2021-05-501-006 – Resolution reporting bids from the April 27, 2021 Road District Motor Fuel Tax Maintenance Materials and Oil & Chip Seal Letting.**

## RESOLUTION 2021-05-501-006

By The Adams County Transportation, Building, & Technology Committee

TO THE HONORABLE COUNTY BOARD

Ladies and Gentlemen:

Your Committee, with the approval of the Illinois Department of Transportation, advertised for bids and held a letting on April 27, 2021 for 200,000 gallons of various liquid bituminous asphalt materials (furnished); 3,860 feet of various size metal pipe culverts, (delivered); 51,000 gallons of Lignin LS-50 (applied in solution); approximately 35,000 gallons of PG52-28 liquid bituminous asphalt materials, (applied); and 1,400 tons of various seal coat aggregates, (applied); required in the maintenance of Road District Roads with Road District Motor Fuel Tax Funds.

Illinois Valley Paving, Winchester, IL, was the low bidder on the liquid bituminous asphalt materials (furnished), Group 117, with a total bid of \$580,000.00. The unsuccessful bidder was the W.L. Miller Company, Hamilton, IL, with a total bid of \$592,640.00.

Contech Engineered Solutions, Springfield, IL, was the low bidder on the aluminized & poly coated steel pipe culverts and the corrugated structural steel plate pipe arches (delivered), Groups 118 through 131, with a total bid of \$224,085.52. The unsuccessful bidder was Metal Culverts Inc., Jefferson City, MO, with a total bid of \$283,595.00.

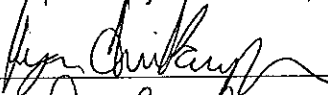

Environmental Road Solutions, Roseville, IL, was the low bidder on the Lignin LS-50 (applied in solution), Groups 132 through 136, with a total bid of \$33,150.00. The unsuccessful bidder was Buss Ag Services LLC, Mendon, IL, with a total bid of \$33,660.00.

Diamond Construction Company, Quincy, Illinois; was the only bidder on the liquid bituminous asphalt materials and seal coat aggregate (applied), Group 137, with a total bid of \$189,576.25.

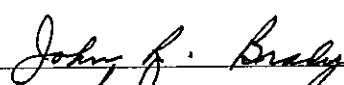

Your Committee, after carefully considering these bids, and with the consent of the Illinois Department of Transportation, awarded contracts to Illinois Valley Paving, Contech Engineered Solutions, Environmental Road Solutions and Diamond Construction Co. on their respective low bids.

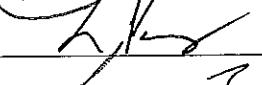

Your Committee asks that its action in awarding these contracts be concurred upon by this Board.

Respectfully submitted,

**COUNTY BOARD OF COUNTY OF ADAMS, ILLINOIS**

**RESOLUTION NO. 2021-05-001-010**

**A RESOLUTION CALLING FOR THE GOVERNOR AND GENERAL ASSEMBLY TO  
PROTECT LOCAL CONTROL OF ZONING AND LAND USE**

**WHEREAS**, Counties are authorized by the Counties Code (55 ILCS 5/1-1001 *et seq.*) to adopt and develop zoning regulations; and

**WHEREAS**, Section 5-12001 of the Counties Code provides “the county board or board of county commissioners, as the case may be, of each county, shall have the power to regulate and restrict the location and use of buildings, structures and land” and “to regulate and restrict the intensity of such uses, to establish building or setback lines on or along any street, trafficway, drive, parkway or storm or floodwater runoff channel or basin outside the limits of cities, villages and incorporated towns which have in effect municipal zoning ordinances” (55 ILCS 5/5-12001); and

**WHEREAS**, consistent with their zoning authority, numerous Counties throughout the state of Illinois have adopted zoning and setback regulations related to wind energy facilities such as the model ordinance prepared by the Chicago Environmental Law Clinic and have made substantial revisions over time to suit the needs of their Counties and the residents of their Counties; and

**WHEREAS**, Senate Bill 1602 was filed in the Illinois Senate on February 26, 2021 and seeks to mandate very specific timelines and procedural requirements regarding siting approval or a special use permits for commercial wind energy facilities; and

**WHEREAS**, Senate Bill 1602 also mandates substantive changes including setback requirements, blade tip height limitations, and sound limitations; and

**WHEREAS**, Senate Bill 1602 requires that any currently-existing county zoning ordinances pertaining to wind farms be amended within 120 days to comply with the requirements of the bill and prohibits a county from adopting any future restrictions on the installation or use of a commercial wind energy facility that are inconsistent with the provisions of the bill; and

**WHEREAS**, the changes contained in Senate Bill 1602 ignore differences that occur locally from county to county across the State of Illinois and remove a county board's ability to regulate those local differences and address the concerns of their residents; and

**WHEREAS**, Senate Bill 1602 further undermines local control in that it substitutes state level legislative determination for the local control exercised by county zoning commissions, zoning boards of appeals, and county boards; and

**WHEREAS**, the County Board is the best entity to support the needs, interests, and safety of its residents due to direct feedback and understanding of the County's needs, while State officials or industry leaders who do not reside in these Counties may not be aware of the most relevant and current information.

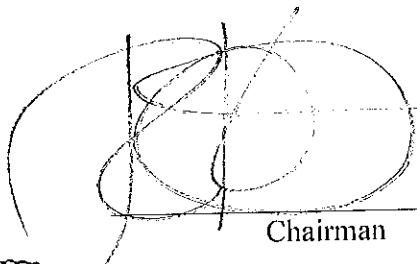

**NOW, THEREFORE, BE IT RESOLVED** by the members of the Board of Adams County, Illinois as follows:

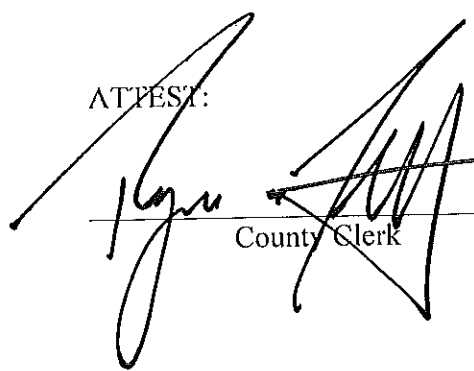

1. The County Board opposes Senate Bill 1602 or any similar legislation that would undermine the County Board's local zoning authority.
2. The County Board urges the Illinois General Assembly to abandon any efforts to advance Senate Bill 1602.
3. The County Board urges Governor Pritzker to veto Senate Bill 1602 or any similar bill should the General Assembly pass such legislation.

4. The Clerk is hereby directed to send copies of this Resolution to Governor Pritzker, the legislative leaders of both chambers of the Illinois General Assembly, and the representatives and senators representing this County.

Passed by the Board of Adams County this 11 day of May, 2021.

ADAMS COUNTY CLERK

PETITION OF GOLDEN FIRE PROTECTION DISTRICT  
FOR APPOINTMENT OF TRUSTEE

David B. Gronewald, being one of three Trustees of Golden Fire Protection District, Adams County, Illinois, respectfully petition the members of the Adams County Board to appoint Richard W. Flesner, as Trustee of said Golden Fire Protection District, and for reason therefore state:

1. The term of Richard W. Flesner as a trustee of the Golden Fire Protection District will expire on the first Monday of May 2021. Mr. Flesner has served faithfully as a trustee of the Golden Fire Protection District.

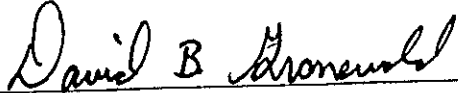

2. Richard W. Flesner of 2368 E. 2903 RD Lane, Clayton, Illinois 62324 is an elector living within the boundaries of said Golden Fire Protection District and is qualified to serve as a Trustee of said Golden Fire Protection District. Mr. Flesner is willing to serve as a Trustee of the District and desires to be reappointed.

3. There is submitted herewith an executed Oath of Office of Richard W. Flesner, and a Bond in the sum of Five Hundred Dollars (\$500.00), duly executed by him as Principal, and by two property owners residing within said District as Sureties.

4. It is in the best interest of said Golden Fire Protection District that Richard W. Flesner be appointed as a Trustee of the Golden Fire Protection District for a term of office expiring on the first Monday in May 2024.

5. Steven Loeschen, another one of the three Trustees of the Golden Fire Protection District, was unavailable to sign the Petition.

Re: Golden Fire Protection District Trustee Reappointment

Dear Mr. Snider:

Our office represents the Golden Fire Protection District. By this letter we are requesting a reappointment of Mr. Richard W. Flesner for a three-year term on the Board of Trustees of the District commencing the first Monday in May, 2021. Mr. Flesner is currently serving on the Board of Trustees and desires to be reappointed to the position. He has served for several years as a Trustee of the District. His new term would run until the first Monday in May 2024.

Enclosed please find the Petition of David B. Gronewald requesting the reappointment of Mr. Flesner, his Bond with sureties, and his Oath of Office.

Should you have need to contact Mr. Flesner or correspond with him regarding his reappointment, his address is 2368 E. 2903 RD Lane, Clayton, Illinois 62324. His telephone numbers are 217-696-2649 and 217-257-6900.

If you have any questions concerning the foregoing, please do not hesitate to contact the undersigned at any time or to contact Mr. Flesner directly regarding his request for reappointment. Thank you.

Sincerely,

Dear County Official:

Crews working for Ameren Illinois will be trimming trees in and around your area in the near future. Our qualified line clearance trimmers will trim trees that could interfere with electric lines running from pole to pole. Our contractors are nationally recognized as professional arboricultural companies who meet American National Standards Institute (ANSI) pruning standards and pruning methods endorsed by the International Society of Arborists (ISA).

Attached are maps and common addresses of the areas affected. In addition to notifying you, Ameren Illinois will mail a notice to customers who may be affected by the distribution tree trimming work. We will also provide a public notice in local newspapers. To update or change your contact information, please contact us at [ILVegetationManagement@Ameren.com](mailto:ILVegetationManagement@Ameren.com).

We are committed to providing safe, reliable and affordable power to your community. Tree trimming helps us minimize the likelihood of power outages and safety hazards. Please visit [MySafeTrees.com](http://MySafeTrees.com) to learn more about our tree trimming program and tips for safely planting trees around power lines.

We recognize the importance of trees to your community, so we have established the *Right Tree, Right Place Grant Program* to help replace trees that must be removed for safety or reliability reasons. Please see the attached flyer for details.

Thank you for your patience while work is underway. If you have any questions about the upcoming distribution tree trimming work, please call 1.800.755.5000, or visit our website at [MySafeTrees.com](http://MySafeTrees.com). Should you or any of your constituents have further questions, the Consumer Services Division of the Illinois Commerce Commission may be reached at 1.800.524.0795.

Sincerely,

Ameren Illinois  
 Vegetation Management

APPLY FOR A RIGHT TREE RIGHT PLACE  
GRANT AT **AMERENILLINOIS.COM/GRANTS.**

As part of this program, we work with municipal leaders to identify trees which may be better suited for removal rather than continual trimming. This grant program provides municipalities with funds to replace removed trees or promote the principles of the Arbor Day Foundation's Tree City USA Program. Communities will be awarded \$125 for each eligible removed tree.

1. Work with your Ameren Illinois Forestry Supervisor to identify trees eligible for removal by Ameren Illinois.
2. Submit your application online at **AmerenIllinois.com/Grants.**

## WHAT IS A "HAZARD TREE?"

Ameren Illinois employs vegetation management techniques which are designed to promote tree health and protect our electric delivery system. Part of our vegetation management plan includes working with municipalities to identify hazard trees which are candidates for removal. A hazard tree is a dead, dying or otherwise unstable tree that is threatening the power lines and must be addressed on a case-by-case basis. This includes trees that are well below the power lines, yet could cause future interference as they grow. If trimmed away from the power lines, these trees will still need continual maintenance trimming every few years. These trees are targets for removal.

## VEGETATION MANAGEMENT BASICS

1. Trees growing up toward the power lines are targets for removal. Even trees that are well below the power lines should be removed to prevent future interference. Stumps will not be ground out.
2. We will coordinate tree removal with the city.
3. City is responsible for removal of debris.

## GRANT PROGRAM BASICS

1. Only trees growing in public rights-of-way and having the potential to interfere with overhead lines are eligible for the grant program.
2. Trees must be identified before removal and approved as eligible by your local Ameren Illinois Forestry Supervisor.
3. \$125 will be awarded for each eligible tree removed, up to \$2,500.
4. Communities may use the funds in a manner consistent with the Right Tree, Right Place principles. Some examples include:
  - » Planting new trees outside of the right-of-way
  - » Planting approved replacement trees inside the right of way (work with your Ameren Illinois Forestry Supervisor)
  - » Developing a community-wide tree management plan
  - » Maintenance of existing trees
  - » Obtaining Tree City USA certification
5. Communities may apply more than once per year, but the maximum annual grant award will be \$2,500.
6. Only government entities (villages, towns, townships, and counties) are eligible to apply.
7. Community members must receive electric delivery service from Ameren Illinois.

*FOCUSED ENERGY. For life.*

ADAMS COUNTY CLERK

Public Notice  
Proposed Renewal of the Clean Air Act Permit Program Permit  
Prince Minerals, LLC in Quincy

Prince Minerals, LLC has requested that the Illinois Environmental Protection Agency (Illinois EPA) renew the Clean Air Act Permit Program (CAAPP) permit regulating air emissions from its facility located at 401 North Prince Plaza in Quincy. The source produces various coarse mineral products. The significant operations at the source include material bagging, storage, conveying, crushing, drying, calcining, loading, milling and screening. Based on its review of the application, the Illinois EPA has made a preliminary determination that the application meets the standards for issuance and has prepared a draft permit for public review.

The Illinois EPA is accepting comments on the draft permit. Comments must be received by 11:59 PM on April 23, 2021. If sufficient interest is expressed in the draft permit, a hearing or other informational meeting may be held. Requests for information, comments, and questions should be directed to Cassandra Metz, Office of Community Relations, Illinois Environmental Protection Agency, 1021 N. Grand Ave. East PO. Box 19506, Springfield, Illinois 62794-9506, phone 217/785-7491, TDD phone number 866/273-5488, Cassandra.Metz@Illinois.gov.

The repositories for the draft permit documents will be made available at the Illinois EPA's offices at 1021 North Grand Avenue East, Springfield, 217/782-7027 (please call ahead to assure that someone will be available to assist you). Copies of the draft permit and other documents may also be available at <http://bit.ly/2SiUSql>. Copies of the documents will be made available upon request.

The CAAPP is Illinois' operating permit program for major sources of emissions, as required by Title V of the Clean Air Act (Act). The conditions of CAAPP permits are enforceable by the public, as well as by the USEPA and Illinois EPA. In addition to implementing Title V of the Act, CAAPP permits may contain "Title I Conditions," i.e., conditions established under the permit programs for new and modified emission units, pursuant to Title I of the Act.

The facility is located in an area of Environmental Justice concern. More information concerning Environmental Justice may be found at <https://www2.illinois.gov/epa/topics/environmental-justice/Pages/default.aspx>.

The beginning of this public comment period also serves as the beginning date of the USEPA 45 day review period, provided the USEPA does not seek a separate proposed period.
