PROTECTIVE COVENANTS

KNOW ALL MEN BY THESE PRESENTS that the undersigned, Bangert Construction Co., an Illinois corporation, being the owner of the hereinafter described real estate does hereby make and establish the following Protective Covenants, which shall cover the following described real estate, all situated in the County of Adams and the State of Illinois, to-wit:

These covenants shall take effect immediately upon the recording hereof and shall apply immediately to all of the above described real estate.

These covenants shall run with the land and shall be binding on all parties and all persons claiming under them. The restrictions established hereby may be amended by a duly recorded instrument properly signed and acknowledged by the then owners of eighty percent (80%) or more of all lots in the subdivision. In determining the "then owners of the lots" each individual lot shall have a single right. If there are multiple owners of a lot, a majority in interest shall exercise the right of the lot. If there are two (2) owners having an equal interest, they shall exercise the right jointly, or if they fail to agree, then the first acquiring ownership or the first named in the deed conveying such lot to said owners shall exercise the right.

If the parties hereto or any of them or their heirs or assigns shall violate or attempt to violate any of the covenants herein contained, it shall be lawful for any other person or persons owning any lot or parcel of said real estate to prosecute any proceeding at law or in equity against the person or persons violating or attempting to violate any such covenant either to prevent him, her or them from so doing or to recover damages for such violation or violations. Any action may be brought by a person, firm or corporation having any interest in a lot in the subdivision. If a

violation is established, the violator or violators shall be liable for the attorney fees and costs of the person, firm or corporation seeking enforcement.

The invalidation of any one of these covenants by judgment or court order shall in no wise effect any of the other provisions or covenants herein contained which shall remain in full force and effect.

All platted lots shall be known as residential lots and all buildings constructed thereon are to be used for residential purposes only and there shall be no more than one residence built on each lot except that said lots may be divided so as to increase the size of any lot or decrease the size of any lot, but no lot shall be decreased in size to less than the average square feet contained in said residential lot.

No buildings shall be erected, altered, placed or permitted to remain on any lot other than one attached single family dwelling not to exceed two and a half stories in height and a private garage for a minimum of two cars. Notwithstanding this provision, each owner or owners of a lot subject to these covenants shall be permitted to erect or construct thereon a detached utility building or shed, but the same shall not be a metal building, shall not exceed 12 feet by 12 feet in size, and must be approved by Bangert Construction Co. before being constructed or placed thereon.

All dwellings, garages and other buildings constructed on said lot shall be completed and have at least two coats of paint within one year from the date construction begins. Construction shall be considered to have begun on the date ground is broken for the construction of any portion thereof.

No dwelling shall contain floor space, excluding porches, breezeways, garages and basements, if any, of less than 1,500 square feet.

Excess dirt from excavating or grading shall be placed in an area designated by Dan R. Bangert, President of Bangert Construction Co.

No building shall be located on any lot near the front lot line or nearer to the side street line than the minimum set back lines shown on the recorded subdivision plat. No dwelling shall be located nearer than ten (10) feet to an interior lot line.

Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded subdivision plat. Easements reserved on the recorded Plat for any purpose whatsoever shall remain as permanent easements for the benefit of all parties owning lots or parcels of land in said above described tract of real estate and no permanent buildings or structures shall be erected on said easements.

Each dwelling shall have a poured concrete or asphalt driveway. Any sidewalks shall also be of poured concrete or asphalt. Gravel driveways are prohibited.

No business or commercial operation shall be maintained on the premises, provided, however, that this provision shall not be construed to prevent or prohibit a lot owner from maintaining a home occupation (as defined in Section 29.701 et. seq. of the City of Quincy, Illinois, Municipal Code) on the premises or from maintaining a personal professional library, keeping his personal business or professional records or accounts, handling his personal business or professional telephone calls, or conferring, on a limited basis, with business or professional associates, clients or customers on the premises.

No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept except in sanitary containers. All garbage cans or other equipment for the storage or disposal of such materials shall be kept in a clean and

sanitary condition out of public view. All lots shall be kept in good appearance including the cutting of grass and weeds and removal of all rubbish, weeds and dead trees.
