The district came back with a 54th street water main improvement at \$270,000. These DS200 machines are vetted by the state and will increase the speed of voting. He reported the estimate is for \$258,750 and approved by Bellweather.

Mr. Zanger asked if voters would still receive a paper ballot.

Mr. Austin stated the ballots are still printed out before-hand. In the future, there is an option to add on equipment that prints your ballot out before you put it into the tabulator.
